EXCELLENCE IN HEALTHCARE AWARDS

GLOBAL EVENT CENTER | FIRST BAPTIST FORT LAUDERDALE

Welcome Healthcare Partners:

On behalf of our Board of Directors, we are proud to produce the Excellence in Healthcare Awards, presented by UHealth.

Our Healthcare Council takes great pride in the creation of Excellence in Healthcare Awards, and strives to improve our community's quality of life by serving as a catalyst for leadership, growth, innovation and positive outcomes.

The healthcare industry is recognized as one of our top economic drivers throughout the region. In fact, there are more than 266,000 hospital healthcare jobs in the Fort Lauderdale-Miami Dade region, generating an estimated \$27 billion to our economy, according to a report from the Florida Hospital Association.

Congratulations to all the nominees and winners.

Sincerely,

GREATER FORT LAUDERDALE

CHARLES FELIX

South Florida Hospital News & Healthcare Report

An individual whose passion and dedication have helped shape healthcare in
Broward County.

Charles Felix is the dynamic owner and publisher of South Florida Hospital News & Healthcare Report, a publication that has been the authoritative voice of the healthcare industry in South Florida since its founding in 2004. Under his leadership, South Florida Hospital News rapidly gained prominence, becoming the region's leading monthly newspaper dedicated to healthcare, and the only publication of its kind in South Florida.

In response to the legalization of medical cannabis in Florida, Felix expanded his media influence by launching Cannabis News Florida, which now serves as a trusted source for cutting-edge local, state, and national updates on medical cannabis, CBD, and hemp industries.

A seasoned financial expert, Mr. Felix is a Certified Public Accountant (C.P.A.) with additional certifications in financial forensics (CFF). He holds a Bachelor's degree in Business Administration with a focus on public accounting from Bernard Baruch College in New York City. Early in his career, Felix built a solid foundation in commercial real estate management, specializing in multi-family construction and management throughout the Southeast.

His career trajectory took an exciting turn when he entered the world of sports management and franchise development, where he played a pivotal role in overseeing a multi-entity enterprise. This enterprise included three professional ice hockey clubs and three arenafootball2 teams, with a combined annual revenue exceeding \$8.2 million. Felix spearheaded the effort to introduce the minor-league Atlanta Knights to the International Hockey League and later orchestrated the franchise's strategic relocation to Quebec City. Moreover, he was instrumental in the formation of the Xtreme Football League, which would later evolve into the popular arenafootball2 league.

In addition to his impressive professional achievements, Mr. Felix is deeply committed to his community and industry. He serves as the Treasurer of the South Florida Hospital and Healthcare Association and is an active board member of ACHE of South Florida, a division of the American College of Healthcare Executives. A distinguished leader, he has twice held the position of President of ACHE of South Florida, as well as President and board member of the Rotary Club of Fort Lauderdale on two separate occasions.
